WHAT IS AN ARTS TOWN MEETING?

Facilitated by the Nevada Arts Council, Arts Town Meetings bring people together for conversations that assess the “state of the arts” in their community.

Data and ideas generated at Arts Town Meetings will be gathered, organized and shared with co-sponsor/s and attendees. This information will allow the Nevada Arts Council to work with communities to set arts and cultural priorities for the future. Critical information gathered at Arts Town Meetings – along with feedback from focus groups and an online public survey – is also used to update the Nevada Arts Council’s strategic plan, Values and Vision. This plan is a vital tool that shapes the programs and services we provide to Nevada’s constituents.
