THE NEVADA ARTS COUNCIL

Celebrating 52 years of service, the Nevada Arts Council (NAC) was established as a state agency in 1967 to enrich the cultural life of the state by supporting, strengthening, and making excellence in the arts accessible to all Nevadans. The NAC is one of America’s 56 state and jurisdictional arts agencies (SAAs) that ensure that every community in the U.S. receives the cultural, civic, economic, and educational benefits of the arts. The NAC supports Nevada’s rural communities, enlivens its public spaces, promotes health and healing, sparks economic growth, drives educational success, fosters inclusion and equity, reaches low income communities, creates opportunities for artists, and serves the public. The NAC, a division of the Department of Tourism and Cultural Affairs, receives funding from the State of Nevada, the National Endowment for the Arts, and other private and public sources.

The arts are a vital asset that improves the quality of life throughout Nevada communities. The arts foster critical thinking, problem solving, creativity, and connections to our rich culture and heritage. The NAC, through its programs and many partnerships, actively works to connect diverse art, artists, and arts organizations to audiences in the streets, galleries, museums, theaters, and classrooms found throughout our urban and rural communities.

From folkloric festivals to youth artwork projects, concert series to exhibits, classroom education to community building, NAC support of arts and cultural programming provides residents a rich quality of life – contributing to the health and diversity of Nevada’s economy and creative workforce, increasing tourism, strengthening communities, and fostering education through the arts.

THE LXS EXHIBIT WAS A GREAT WAY TO GET SCENES OF RURAL NEVADA IN THE STATE CAPITAL. IT’S A UNIQUE VENUE TO EXPOSE MY PAINTINGS TO PEOPLE WHO MAY NOT REALIZE THAT PLACES LIKE TUSCARORA STILL EXIST IN OUR STATE.
